About The Game: EVE is a zombie simulation game based on the theme of survival. You are playing as a group of survivors. Armed with only a handful of weapons, you must fight through hordes of enemies, scavenge for supplies, and even battle with each other in order to survive! Game Features: – Three different roles: Zombi, Raider, Hunter. – Combat system with some unique twists. – Different types of enemies. – Multiple weapons. – Crafting system. – Rescue mini-game. – Invincible special attack. – End of the Environment (EoE). – Available levels: standard and sniper. About Characters: Two types of characters: Zombies and Humans. Zombies are the antagonists in the game. Zombies can be divided into two kinds of types: 1. Medical zombies: The main type of zombies, they do not have any special attributes, and when they get angry, they will attack and devour medical supplies to make you sick. 2. Coma zombies: There is a special attribute in Coma Zombies. When the zombie attacks, it will be easier for the attacker to devour the attacked zombies. However, when the attacked zombie is in a coma, it is not easy for the attacker to devour, and it is also more likely to induce a coma. You will hear the attack sound on the left. It can be cured by medical capsules. Classes: You can play as a hunter, raider, or zombie. Each of these characters has their own advantages and disadvantages. Different Types of Weapons You can collect almost all types of weapons to play in the game, such as: - Melee Weapons: Stick, Sword, Baseball Bat, Knife - Gun Weapons: Pistol, AK-47, Shotgun, Bazooka - Melee Weapons: Stick, Baseball Bat, Knife - Guns: Pistol, AK-47, Shotgun, Bazooka Scavenging: Your health and strength are dependent on the amount of food you scavenge.
